PROFESSIONAL SUMMARY

Teacher candidate pursuing a Bachelor of Science Degree in Interdisciplinary Studies, with experience supporting students and staff, facilitating group discussions, preparing Bible lessons, training volunteers, and coordinating projects. Brings strong communication, organization, and problem-solving skills to a respectful and engaging learning environment.

PROFESSIONAL EXPERIENCE

Support Specialist (Student Worker)

2024 - 2025

Word of Life Bible Institute | Hudson, FL

- Supported students and staff with devices, classroom technology, and day-to-day technical needs.
- Installed hardware, completed minor repairs, and helped maintain reliable campus operations.
- Worked collaboratively with team members to complete projects and meet deadlines.

Website Designer / Project Coordinator

2016 - Present

Michael Production

- Planned and completed website and communication projects for businesses, churches, and nonprofit organizations.
- Worked directly with clients to define goals, organize content, and deliver practical solutions.
- Managed project updates, testing, hosting, and ongoing support.

Live Streaming Expert

2019 - 2024

Conshohocken Vineyard Church | Pennsylvania

- Built and operated live-production systems for worship services and ministry events.
- Trained volunteers, wrote instructions, and resolved problems during live broadcasts.

Pastoral Intern

2025

Tampa Bay Vineyard Church | Tampa, FL

- Prepared and presented Bible lessons and supported weekly ministry responsibilities.
- Assisted leaders and volunteers with outreach, planning, and collaborative projects.

LEADERSHIP & SERVICE

Small Group Leader

8-week program

Elevation Life Church

- Facilitated weekly discussions using the Emotionally Healthy Spirituality curriculum.
- Taught selected biblical principles and encouraged thoughtful participation, reflection, and prayer.

Eagle Scout

Demonstrated long-term commitment to leadership, service, teamwork, and project completion.

TEACHING PHILOSOPHY

I believe effective teaching combines clear expectations, engaging instruction, meaningful relationships, and consistent encouragement. My goal is to help students develop knowledge, responsibility, confidence, and a lasting desire to learn.
